**PECULIAR DIVISION OF ESTATE.**

**ANTONE ROSA WAS VERY DERELICT IN HIS ADMINISTRATIVE DUTIES.**

Inventories and Judgments on Many Other Estates—Field Day for Judge Humphreys.

The will of Thomas J. Higgins, late of Hilo, Island of Hawaii, was yesterday filed in Judge Humphreys' court. It is a somewhat peculiar instrument. The value of the estate has not been established, but it is said to be quite large. The widow, Margaret G. Higgins, conjointly with John W. Mason, manages the estate. Both are to serve without bonds. The will directs that as speedily as possible his estate be converted into cash. That it be divided into one hundred equal shares, of which 35 shares be given to the widow and 45 to his son, Thomas J. Higgins, Jr. The residue of the estate goes to a daughter and a granddaughter.

In the matter of the estate of Antone Rodrigues it was asserted in a complaint that Antone Rosa, the trustee and executor, in disregard of his oath, failed to file any inventory until 1899; even then it was not voluntarily filed, but under stress of proceedings instituted by the moving parties in the case. It is alleged that his administration has been a positive detriment to the estate; that he should be disallowed all commissions and that he should be charged \$266.68 interest on moneys in his hands. These contentions being supported to the satisfaction of the court, it was decreed that the estate of Antone Rosa, deceased, be charged with the payment of \$1,322.65 with costs at \$17, a total of \$1,340.05; and that John F. Colburn, executor under the will of A. Rosa, be and hereby is ordered to pay to the clerk of this court the said sum of \$1,340.05. J. A. Lagoo appeared for Kalam, the widow, and orphans children, and Lorris Andrews for Mr. Colburn.

In the matter of the estate of Kekihi, deceased, intestate, the bond of J. M. Sarrat as administrator was filed in the penal sum of \$1500, whereupon letters of administration were granted. The estate consists of \$1500 on deposit in the First American Bank. The heirs, Francisco de Costa, the husband, who asks for the appointment of Mr. Sarrat as administrator.

In the matter of the estate of Naima Naowli, deceased, Judge Humphreys allows exceptions to his decision, and the appeal of D. Naowli.

Sidney Smith, administrator of Thos. C. Humphreys, files an inventory of the estate, placing its value at \$2,031.50.

In the estate of Jacob Jurgenson, George R. Carter, administrator, files an inventory, showing the estate to be valued at \$12,712.20.

George R. Carter, the administrator, filed a statement in the matter of the estate of the late Alex. Chisholm. It is rather vague in its character and leaves the value of the estate in doubt.

**RECRUITS FOR MCKINLEY.**

Judge Humphreys of Fort Smith, Ark., July 25.—Judge J. C. Humphreys of this city, a life-long Democrat, has publicly declared himself for McKinley and Roosevelt. In an interview today, he said:

"Throughout the Spanish-American War I endorsed the McKinley Administration. At the close of the war, the treaty gave to the United States, Porto Rico and the Philippines, and Republics and Democrats in the United States Senate ratified the treaty and voted the consideration paid to Spain, when, as it was territory belonging to the United States, and our soldiers, having been fired upon by the Aguinal party, it was a question with me that had only two sides to it. The question was: Are you for the United States or are you for the insurgents led by Aguinaldo? Without hesitation, I was outspoken for our flag and our soldiers fighting under it.

"The Kansas City platform condemns and denounces 'the Administration's policy in the Philippines. At first it was a cry against expansion, but as both parties had ratified the treaty and the expansion was an accomplished fact, now the cry is imperialism. I don't believe there is anybody who wants imperialism. There is in my opinion much more danger from anarchy than from imperialism.

**A Minister's Good Work.**

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took 20 doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor, without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No, I went home and brought my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. I think it the best medicine I have ever tried.' For sale by all dealers and druggists. Benson, Smith & Co., general agents, Hawaiian Territory.
